

## UPCOMING PHOTO PROJECT CALL FOR PARTICIPANTS

### Social-Change Photography Book and Documentary

Alyscia Cunningham, author and photographer of *Feminine Transitions: A Photographic Celebration of Natural Beauty*, is looking for participants for her upcoming book and documentary titled ***I Am More Than My Hair: Bald and Beautiful Me***. As with *Feminine Transitions*, *I Am Not My Hair* is a social-change project that tells the stories and celebrates the beauty of bald girls and women who've lost their hair due to medication conditions as well as females who've cut their hair in support of a loved one.

If you're interested in participating or would like more information, please contact Alyscia Cunningham at 301-244-9658 or [info@Alyscia.com](mailto:info@Alyscia.com). Keep in mind the dates you're available to shoot and an outdoor location. She is taking photos in an all-natural lighting environment.
